CELEBRATION

Fayetteville Observes Anniversary of Liberty Point Declaration of Independence.

[Special to The Times-Dispatch.]
FAYETTEVILLE, N. C., June 21.—
Bright skies, perfect weather, immense crowds, a splendid parade, and an eloquent address made the celebration of the 134th anniversary of the Liberty Point Declaration of Independence a perfect success to-day. Great crowds of people came in over the lines of reliway and thousands by rivate constitutions.

perfect success to-day. Great growns of people came in over the lines of railway and thousands by private conveyance from the surrounding county. The parade formed on Green and Gillesple Streets and marched up Hay to the Atlantic Coast Line Depot, thence back to Liberty Point, where the orator of the day, Chief Justice Walter Clark, delivered an address.

Judge Clark was introduced by James Macrae, the eight-year-old son of the late Samuel H. Macrae, and grandnephew of the late Duncan K. Macrae, who at six years of age introduced Lfayette when he spoke here in 1825. James was introduced by H. McD. Robinson. Judge Clark rode in the parade in the carriage in which Lafayette rode when on his visit to Fayetteville.

Some beautiful floats were in the parade, the finest of which were the handsomely decorated auto of John C. Gorham, the floats of Misses Halgh and Pemberton, and of Misses Halgh and Bessle Maloney, for which first, second and third prizes were awarded in the order named.

The auto race which was scheduled was called off, as it was found impossible to control the dense crowds which lined the way.

The fireworks display at night was the finest over witnessed here. Altogether the celebration was a great success, and was thoroughly enjoyed by the throngs attending. Some beautiful floats were in the

success, and was thoroughly enjoyed by the throngs attending.

A striking feature of the event was the great number of Confederate veterans in the line of parade. They were entertained at dinner in the F. I. I. I. Armory. Chief Justice Clark held a reception in the Elks' Home. The colonial ball in the army at night was a brilliant affair.

The Lynchburg lawyer dended that Pullen, the waiter, had ever made that Pullen, the waiter, had ever made the statement to him that he had seen a man in Mrs. Gould's parlor at the Hotel Carroll, in Lynchburg. Fullen had told him all he said he had seen of Mrs. Gould at that time. The waiter later on made a sequestion for the other side in New York, telling of the presence of a man in Mrs. Gould's rooms at the Lynchburg hotel, which was read earlier in the trial.

The hearing was adjourned until to-morrow.

THE CURE FOR

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system. Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to menhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed. S. S. S., given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and stengthened their systems, and assisted each to grow into strong, healthful manhood or womanhood. S. S. S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under the purifying effects of this great remedy all symptoms of Scrofula pass away. S. S. S. contains no minerals in any form, and is an absolutely safe treatment for children, even infants, or persons of any age. After further opposition by Mr. Flizzerald and an ineffectual effort by Mr. Tawney to amend the resolution, the vote was taken, resulting: Ayes, 152; noes, 28. This being sixteen short of a quorum, Mr. Livingston directed attention to the fact, and the roll was called.

The call resulted; Ayos, 165; noes, 27; present, 13 more than a quorum. This meant the adoption of the resolution.

ACCIDENT IS BLAMED ON BATTLESHIP SEARCHLIGHTS

Ispecial to The Times-Dispatch.]

NORFOLK, VA., June 21.—In a coilision to-night between barge No. 2, of the N. Y. P. and N. Railroad, in tow off the tug Portsmouth, and a five-masted schooner, Baker Palmer, in tow of the Edna V. Crews, the barge was severely damaged and the bow of the schooner stove in. John R. Davis was thrown from his bunk beneath one of the cars on the barge and his arm cut off just above the cibour. His back is also injured. Several others received slight injuries. The schooner had to be beached off Old Point. The accident occurred off Pine Beach. The cause of the collision is not known.

The claim is made by Joseph M. Clark, owner of the tug Crews in the coilision, that the searchight practice of the battleships in the Roads caused the accident. It is charged that the ships were using the lights all night, bilinding and confusing the pilot coming in and out of the various harbors connected with the Roads. The schooner Palmer is loaded with coal and was en route to sea.
